

2007 SOLO DRIVER'S SCHOOL

Start the season off right by learning autocrossing from some of the best in the Nation!

Classroom: Saturday June 30, 2007 – A.M.

Course: Saturday, June 30, 2007 – P.M.

Driver's school classroom begins at 8:00 am – please be there by 7:00am for registration!

Attendance at the classroom phase is mandatory for the course phase.

- The driver's school will begin with a classroom session in the All-Star room near Friday's Front Row in Miller Park. This will cover the basics of autocrossing, including safety, car classes and car control. Lunch will be provided in the course area.
- Then it's on to Miller Park's parking lots where our instructors will be waiting to take you out on the course.
- After completion of this school you can put your newfound skills to the test at WAI's 4th event held Sunday, July 1st. Join WAI and receive an additional discount on your event entry.
- The driver's school will be limited to the first 50 entrants
Registration deadline is June 20, 2007!
- You must bring a safe car to use at the school. Your car must have a passenger seat equipped with seat belts for an instructor. It is recommended that you bring a helmet, Snell M95 or newer, as there are few loaner helmets available.
